First Aid Winners

HERE ARE THE FIRST AID WINNERS . . . in the Annual Safety Day Program held at Memorial Gymnasium by the Kentucky River Mining Institute last Saturday. The winning team is the Blue Diamond Coal Company Leatherwood No. 1 whose captain is Kenneth Williamson. The team will represent the Kentucky River Mining Institute in the National Contest next month at Louisville.

Hazard Youth Injured By Napier Back-Hoe

A four-year-old Hazard girl was seriously injured Thursday evening on Liberty Street when she was hit by a Napier Electric and Construction Company back-hoe after she apparently ran in front of the machine.

Delores Gene Cornett of Liberty Street was admitted to the Mt. Mary Hospital and is listed in critical condition.

The City Police gave this account of what happened: Taylor Everidge was operating a backhoe on the Liberty Street Housing Project when the little Cornett girl ran out in front of him from behind a parked car. The front wheel ran over her.

Everidge was taking the back-hoe to Jeff according to owner Hadward Napier, to dig out a ditch at Combs Memorial High School.

Democrat Women Meet Thursday

The Perry County Democratic Woman's Club will meet Thursday, September 30, at 2:30 p.m. at Democratic Headquarters on High Street.

All Democratic women are urged to be present.

J. D. Smith Speaks At Kiwanis Meeting

Nin Combs was program chairman and former state representative J. D. "Smittie" Smith, was guest speaker at the Kiwanis Club Tuesday evening, September 14, at Don's Restaurant.

The subject of his illustrated address was "The Key to Kentucky's Future", preceded by some important announcements and followed by an invitation for questions and round table discussion.

In brief, the 176 million dollar bond issue will bring to the commonwealth a total of \$860,755,000 plus a capital construction program for the next five years, and no tax increase is required. In 1964 the general assembly voted to put on the 1965 ballot this general obligation bond issue to provide necessary funds to continue Kentucky's program of progress.

What was the Key? It was determined that the funds from above bond issue would bring Kentucky approximately 685 million dollars in matching

funds and lead to a total of 860 million dollars of additional and improved highways and other facilities.

The summary below must be considered a tentative estimate, but additional sums and increases may be expected, highways valued at 736 million, higher education aid to University of Kentucky, University of Louisville, the five state teacher's colleges, plus the community colleges which have already been established including the \$1,000,000 set aside and earmarked for the University of Kentucky to build the newest community college on a site in the Hazard-Blackey Area.

The only visitor was George W. Fugate, Covington, Kentucky, retired.

Dilce Combs 4-H Club Is First In Annual Window Exhibit Here

The Dilce Combs 4-H Club was presented the Sterling Silver Championship trophy and \$10.00 for grand champion 4-H window display at awards ceremony held last Saturday at Hazard High School Auditorium.

The Big Willard, Krypton, Dilce Combs and Big Creek Elementary were judged winners in colorful 4-H parade held Saturday in Hazard. Parade winners were each presented \$5.00 and a banner. The Big Creek Elementary club was presented a \$5.00 award for 4-H float entered in parade.

Perry County 4-H officers for club year 1965-66 were elected as follows: President, Betty Joseph; Vice President, Gary Craft; Secretary, Gloria Knight; Reporter, Yvonne Campbell; and song leaders, Sharon Browning, Shirley McGranor, Betty Jo Brown, Sharon McGranor, and Sharon Eversole.

The 4-H window exhibits were judged in blue, red and white ribbon groups. Blue ribbon winners were awarded \$10.00 and were as follows: Dilce Combs, Big Willard, Briar Fork, and R. W. Combs Elementary Senior.

Red ribbon were awarded \$7.50 each as follows: Big Creek Elementary Junior, M. C. Napier, and R. W. Combs Elementary Junior. The Big Creek Elementary Senior was awarded \$5.00 and a white ribbon.

William C. Dawahare, Mayor of Hazard welcomed the group and complimented the 4-H members and leaders for fine work and presented Margaret Lowery a certificate and key to City of Hazard in recognition.

Air Force Wants Experienced Men

Msgt. William E. Allen, district supervisor for the U. S. Air Force Recruiting service, reported today that the U. S. Air Force is accepting men with prior military service in any branch of the Armed Forces, for enlistment and re-enlistment in the U. S. Air Force in the same grade or rate held at time of discharge, depending on the amount of time since discharge and the military job held previously.

Men accepted with prior military service do not undergo basic training but get to select their base of assignment BEFORE enlistment or re-enlistment and are sent direct for duty to their base of choice.

According to Sergeant Allen, the Air Force is in need of men with military experience in personnel, administration, electronics, supply, communications, motor vehicle repair and operators, utilities and a host of other fields.

For complete information on this program, Sergeant Allen urges men to contact the Air Force Recruiting representative in the Post Office building in Hazard as soon as possible.

Small Crowd Here For KY. River's

Safety Day Event

More than 200 people attended the Safety Day Program at Memorial Gymnasium Saturday as the Blue Diamond Coal Company Leatherwood No. 1 won the annual First Aid Contest. By winning, they won the right to represent the Kentucky River Mining Institute at the National First Aid and Mine Rescue Contest.

The national contest will be held in Louisville on October 4, 5 and 6.

Newton Little, of Telford, was the winner of the 1965 Ford Mustang given away by the Kentucky River Mining Institute according to Director Lloyd McGarey.

The First Aid teams performed dummy treatment for artificial respiration, control of bleeding, physical shock, wounds and burns, fracture and dislocations and transportation.

Special Judge Fines Lost Creek Woman In Contempt Of Court

A Perry County woman, Mrs. Edith Combs of Lost Creek, has been fined \$30 and court costs for contempt of court by Special Judge John Cornett Friday which involved a case between the River Coal Company and Mr. and Mrs. Greenberry Combs.

The fine was levied in Special Circuit Court because of Mrs. Combs failing to be present at the trial.

The trial involved a dispute between the coal company and the Combses in which the Combs lady allegedly fired shots at Perry Greer, a bulldozer operator for the River

Coal Company. Greer testified in court that "She came up about thirty feet to me pointed a rifle toward me and told me to get off her land," after he heard shots earlier last Thursday.

According to Greer, there were three more shots fired as he drove the dozer off her land and that he had not been back since. The alleged incident took place on the Combs property about 10:00 a.m. Thursday morning.

Ed Clemons, president of the River Coal Company, testified that he saw her fire two or three shots in the direction of the bulldozer with Greer on it.

The River Coal Company had obtained a restraining order so they could continue operation but according to Greer and Clemons the order has been of little use.

The Combses were supposed to be represented by Whitesburg attorney Harry Caudill, but the famed Eastern Kentucky lawyer never showed up cases scheduled.

during the court. Instead, Hazard attorney Ernest Faulkner represented the Combses.

Mr. Combs was not involved in the alleged shooting incident according to witnesses, and was not present at the trial either. Faulkner wanted a delay in the trial, because Caudill was not present but Hazard attorney Joe Craft and Hoover Haynes, representing the River place on the Combs property Coal Company, wanted matters settled then.

"That's an easy way to keep us from mining coal by saying the attorney can't get here," commented Craft.

The issue concerned is over the River Coal Company auguring coal on the Combs property. The Combses have allegedly interfered with operation of auguring by the River Coal Company before the latter incident occurred which brought on the trial.

According to Attorney Caudill, "I was only notified two days ago of the hearing and already had a full document of cases scheduled."

Doctors In Area To Be In Clinic At Harlan Oct. 13

Physicians in the five counties of Harlan, Knott, Leslie, Letcher and Perry have been invited to take part in the one-day consultative and diagnostic heart clinic for medically indigent patients to be held in the Harlan County Health Department, Harlan, on Wednesday, October 13, 1965.

Conducting the clinic will be Dr. Jacqueline A. Noonan and Dr. Jack Reeves, both from the University of Kentucky Medical Center.

EKRDP Gets New Staff Member

QUICKSAND, Ky.—Dr. Mike Duff, Director of the University of Kentucky's Eastern Kentucky Resource Development Project here, has just announced the appointment of a new staff member, Mrs. Helen Barney who will serve the 30-county area as a Basics of Living Specialist.

A native of South Dakota, Mrs. Barney is a graduate of South Dakota State College with a degree in Home Economics. She has a degree from Kansas State University in Family Economics.

Her duties on the EKRDP Staff will involve working with home demonstration agents and others in the 30-county area of Eastern Kentucky to extend University Extension to low income families, families who have been out of contact with all the programs that have been initiated for the purpose of helping them attain a better and more pleasant way of life.

Local Shriners Sponsor Ham And Bean Dinner

The annual Ham and Bean Dinner sponsored by the Hazard Shrine Club, will be held this coming Saturday, October 2, in Hazard.

Serving will get underway at 11 a.m. on the parking lot near the Hazard Coca Cola plant at the East end of town.

The eating and serving will run from 11 a.m. until 3 in the afternoon.

Tickets for a dinner can be purchased from any local Shriner for \$1.00.

Dan Morris Indicted On Murder Charge

A Breathitt County man, Dan Morris, 56, of Elkatawa, will stand trial for the murder of Kentucky State Trooper Glenn Delano Powell near the Morris home last July 8.

The Perry Grand Jury has returned an indictment of murder against Morris and fixed his bond at \$10,000.

Court appointed defense attorneys asked, during the examining trial, that Morris be sent to the state hospital at Danville for 35 day observation period.

Following the allotted time period the mental hospital gave a report saying Morris was mentally sound.

Powell was shot to death as he entered the yard of the Morris home after neighbors had reported a disturbance in the area.

Perry County assumed jurisdiction in the case when it was learned that Powell died at defendant's hearing because the defendant had asked that Judge Babe C. Noplis not set on the case due to the fact that Noplis had visited the scene.

Noble later asked that Noplis hear the case but the Judge refused on the grounds of the initial complaint.

High School basketball player following the finals of the 14th regional tourney in March of 1964.

A Lost Creek man, John Noble, has waived examining trial and has been bound over to the grand jury on a charge of obstructing a public highway.

Noble, reportedly, cut trees across KY 1145 between Bulan and Rowdy in an attempt to prevent the department of highways from spreading gravel on the road.

Noble contends that he owns the land where the road is located.

Perry County Judge Protem H. B. Noble presided at last week's hearing because the defendant had asked that Judge Babe C. Noplis not set on the case due to the fact that Noplis had visited the scene.

Noble later asked that Noplis hear the case but the Judge refused on the grounds of the initial complaint.

Local Task Force Meets Tomorrow At Kentucky Power In Hazard

A task force meeting of important people will be held tomorrow (Tues.) at 10:00 a.m. at the Kentucky Power Company with Jim Peel of the Economic Opportunities Act and John Whisman of the Appalachian Regional Development Act being present.

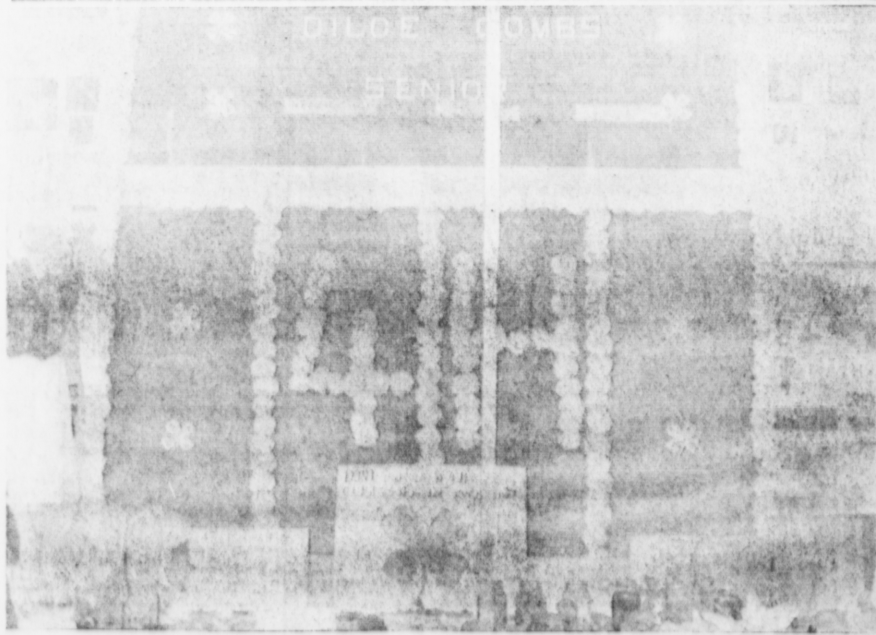

Also attending the meeting will be Bill Davis of the Economic Development Act and a representative of the Kentucky Development Committee. The meeting is being sponsored by the Upper Kentucky River Area Development Council.

"The programs these people represent — the Appalachian Regional Development Act, Economic Opportunities Act, Economic Development Act — are really a closely allied triumvirate of programs that can provide complete and overall assistance to the Eastern Kentucky region," Whisman stated.

Information related to comprehensive overall programming at area and county levels are very important according to Whisman.

"More meetings are being planned for October in Eastern Kentucky," Whisman said.

The meeting will include representatives from Knott, Perry, Letcher and Leslie Counties.

4-H Window Winner

DISPLAYED IN SCOTT'S 5 & 10 . . . is the winning window show of the annual 4-H Window Show held each year in Hazard. Dilce Combs High received the \$10.00 prize for having the best window this year and the traditional cup presented by Hazard Kiwanis Club.

ACROSS THE HOME AGENT'S DESK

Home Agent Advises On Buying And Cooking Of Corn-On-The -Cob

Cecile Townes — Home Demonstration Agent

Sweet Corn On-The-Cob! It's time to enjoy fresh sweet corn on-the-cob or off if it's preference. At any rate, you may find this interesting vegetable at local food markets in peak supply and at the most economical prices of the year.

Flavor is the important factor in sweet corn, and the flavor is largely due to the sugar content. But remember, the sugar can be easily lost, particularly at summer temperatures. Half the sugar can convert to starch in 24 hours, if it is not kept at low temperatures. Studies have proved that sugar loss is slowed at lower temperatures. Therefore, it should have the field heat removed as soon as possible and then be kept stored at low temperature (at home, in the refrigerator) until it is ready to be cooked. It is best if cooked soon after purchasing because the longer corn is stored, the more the sugar loss.

When buying sweet corn in the husk, look for bright, green husks that fit snugly over the kernels. Dark-brown silks indicate that the kernels should respond to slight last one or two days.

A short cooking period is all that's necessary for sweet corn. Five to six minutes in boiling water; four to five minutes in a pressure saucepan; and 12 to 15 minutes in the husk over glowing charcoals. (For over the coals: First, cover it with ice water to assist with the steaming and prevent scorching; then during grilling, it needs to be turned slightly every two minutes.)

Butter is most everyone's choice with hot, freshly-cooked corn. For variety, you may wish to add a flavor by combining the butter or margarine with garlic powder, celery salt, hot pepper sauce, mustard, curry, or nutmeg.

Sweet corn cut from the cob and cooked as creamed corn may be enhanced by adding crumbled crisp bacon, sour cream, oregano, ground dill seed, green peas or mushrooms, or cream of mushroom soup.

The local sweet corn season will last until early fall, but outstanding quality is now at hand. Enjoy delicious corn the entire season for economical eating pleasure.

ATTENTION

The Hazard Herald has republished a documentary of "Old Claib Jones". A famous 18th Century mountaineer. A great deal of Perry, Letcher and Knott County history of these areas is in the book. Anyone renewing or purchasing a subscription will receive a free copy of the publication or the book can be purchased for \$1.00.

Sizeable Portion Of Perry County Income Traceable To Public Funds

In Perry County, as in most other parts of the county, a sizeable portion of the income that local residents receive per year is traceable to public funds.

A special study of the sources of personal income, covering all 50 states, indicates that about \$1 out of every \$4 collected by local people in 1964 came in the form of Federal, state and local checks.

Out of the total personal income in Perry County last year, which was \$33,450,000 after taxes, an estimated \$7,760,000 represented government payments.

The study, based on Department of Commerce data, was made by the Tax Foundation, a non-partisan, non-profit organization concerned with problems of government finance.

On a national scale, these direct contributions include payments of salary and wages to the 10 million people on public payrolls, as well as pensions, social security, unemployment compensation, public welfare expenditures and the like.

Considerable differences exist, from one part of the country to another, in the extent to which public funds affect the daily lives of the population.

On the basis of the figures for Kentucky, about 23.2 percent of the net income of Perry County residents is derived from government sources.

Elsewhere across the country, 19.8 percent of such income is so-obtained. In the East South Central States, the average is 23.1 percent.

As to a breakdown of the money received by people in the local area, approximately 15.1 percent of it comes from Washington and 8.1 percent from the state and local treasuries.

The District of Columbia, because of its large concentration of Federal employees, has the highest ratio of government payments to personal income. It amounts to 46 percent.

The state with the lowest ratio is Connecticut, with 13 percent.

Some \$97 billion of the income of the American people is generated by funds that emanate from the various branches of government, the study shows. Of this total, \$57 billion comes from Washington and \$40 billion from state and local sources.

Letcher County Notes Letcher Historical Society Meets With W. P. Nolans, September 17

by Anne Caudill, Secretary

The Letcher County Historical Society met at the home of Mr. and Mrs. W. P. Nolan at Mayking, Kentucky on September 17, for a most interesting program participated in by a number of those present. Members displayed items of historical interest and told the story of each relic.

Miss Polly Kincer showed an old sad iron, an unusually tiny one, used in her family.

Mr. W. P. Nolan operated a small antique press. The consensus of opinion that it was designed to press bacon.

Mr. Harry Caudill displayed a musket made in the city of Danzig, 1836 which he brought from the widow of Henry Fields and which Mr. Fields had told him he bought from a man named Shade Combs, a soldier in the Union Army. The army allowed its men to bring their arms home with them after the war. The gun is a smooth 64 caliber which loaded with a minnie ball, tamped with a ram rod. The gun was about 30 years old when the Civil War started.

He told how his grandfather, Henry R. S. Caudill, returning to the Confederate army after a crop leave at home was warned by a woman that Claib Jones and other Yankee soldiers were waiting in ambush. Caudill and his companions went by another route, coming up behind Jones and his men where they were hidden. The Union men fled and in the scramble one threw his gun over the hill, leaving it behind. About 1955 that old rifle was found on the hillside near Blackey, the wooden stock all rotted away but the metal preserved and strong. The powder in the pan still fired at the touch of a match. The rifle from that gun was used by Judge Arthur Dixon to replace the worn and corroded one on the Shade Combs gun when he replaced the wooden stock for Harry Caudill. He also told how his grandfather Caudill was shot between the eyes with such a gun. The ball was shattered but his grandfather lived over it.

He also displayed a small iron shovel made by his grandfather's grandfather, Isham Caudill, son of James Caudill, Revolutionary War Veteran. Isham Caudill, Revolutionary War veteran, and first settler. Isham Caudill went into the Pine Mountain, made charcoal, churned out iron ore from the sandstone, smelted it and shaped a plow. When in later years the plow wore out he reformed it into the little hoe-cake shovel on which countless hoe-cakes have been baked over an open fireplace. He commented that the rione ore was of such value that the land companies later bought all rights thereto.

These relics give us an insight into the way of life of our ancestors. Most of the skills they possessed have been lost to us and it would be impossible for us to live in the wilderness which they conquered.

Mrs. W. P. Nolan demonstrated her skill in blowing upon an old fox horn made from a steer horn. She and Mr. Nolan passed around copies of The Evening News, published daily in Louisville and dated during the Civil War. Members greatly enjoyed perusing and reading aloud from the news of those stirring days.

Mrs. Cossie Quillen showed a beautiful piece of the carnival glass which is now so popular with collectors. This dish was given to Cossie's mother by her grandmother on her return from a trip to Cincinnati 53 years ago.

Mrs. Stephen Combs, Jr. brought with her two very old pieces of family silverware and an unusual large clear glass bowl with the words, "Give Us This Day Our Daily Bread" formed around the border. This bowl was given to Mrs. Combs' mother, Mrs. Harris, about 1910 when she lived in Beattyville, by a Mrs. Lyons. This Mrs. Lyons was the mother of Frank Lyons the original of "The Kentucky Colonel" picture. At the time the dish was more than a hundred years old.

Mrs. Ted Yonts displayed a beautiful china coffee pot which had come to her from her grandmother Thompson, but which had belonged to an earlier great grandmother Adams or Caudill, whose family was forced to move to Virginia during the troubles of the Civil War for safety's sake, leaving many of their belongings behind. For a time the things were buried to protect them from Union raiders.

Mrs. M. L. Webb displayed an ink well used in the M'king Post Office when it was first established there more than 50 years ago.

Mrs. Lillian Wright displayed a necklace worn about 1854 by her great grandmother, Elizabeth Polly (Mrs. Wiley Webb) at her wedding, a fan marked "a present from Henry Polly, 1838" and pictures of the older members of the Craft family and J. Wash Adams family.

Mrs. Zenneth Bentley brought along the first piece of green glass in her husband's considerable antique collection. This was a small hobnail vase given them when they married by a Mrs. Shelton from Virginia.

Letcher County Historical Society meetings are always interesting. All who enjoy preserving the stories, the relics, the traditions of the past are urged to attend.

State Must Approve Bond Issue Or Voting New Taxes, Says Ward

Kentucky has the choice of approving the bond issue November 2, 1965, or voting new taxes in January, 1966, Commissioner of Highways Henry Ward declared in an address in Louisville before the Kentucky Real Estate Association.

"A total of \$130 million each year of federal funds is now available to aid in highway construction in Kentucky," Ward said. "Kentucky has to put up \$39 million of state money annually to get this amount of federal aid. Kentucky must have federal aid to meet the competition of other states which are moving ahead aggressively in building a good highway system. This federal aid represents a real bargain to Kentucky which we cannot afford to lose. If Kentucky does not provide matching funds, Washington doesn't put this money in the bank and reserve it for Kentucky's use at some later date. This federal money would go to other states."

"The proposed \$176 million bond issue would provide the State Highway Department with funds to continue matching federal aid in an orderly manner without new taxes."

"In the event the bond issue fails to secure approval November 2, I am convinced that the General Assembly at the 1966 session would levy new taxes to provide funds to secure this federal aid for highway improvement. I was a member of the General Assembly for 14 years and on several occasions I saw the legislators rise to meet a crisis in Kentucky which required the levy of new taxes. I am convinced that the legislators would meet the crisis in 1966 in the event the bond issue is not passed."

"Any discussions of alternatives to voting the bond issue or voting new taxes merely serves to confuse the issue. Since 1956, Kentucky has been providing funds to match federal aid from voted bonds. Existing programs of the Department of Highways could not be sliced to save \$39 million a year to match federal aid."

"Members of this Real Estate Association are excellently qualified as businessmen to attest to the validity of the principle on which the bond issue is proposed. The majority of Americans have bought their homes on a time payment plan. Thousands of Kentuckians now own homes who could not have afforded to buy them if they had had to plunk down the cash at the time of original purchase. With borrowed money they bought a house and enjoyed the privilege of being home owners while they were paying off the loan in the form of rental payments."

"New federal money is available for two great highway construction programs which must be completed in the next five years. The Interstate Highway System is financed out of additional federal funds with 90% of the cost being borne by the Federal Government. New funds have been voted for the Appalachian System and Kentucky has been allotted 435 miles of that system. Seventy percent of the cost of the Appalachian System will be paid on of new federal funds. Kentucky can get \$16 million a year of regular federal aid which must be matched on a dollar for dollar basis."

"Annual revenue to the road has increased from \$68 million in 1956 to an estimated \$109 million this fiscal year - an increase of \$41 million since 1956. It is conservatively estimated that the road fund receipts from existing taxes in the next 20 years will increase to \$185 million - \$79 million a year more than will be received this year."

"The Department of Highways' debt service would only be \$695,000 on the bond issue in the next fiscal year. The amount that would have to be paid in the 1967-68 fiscal year would be \$2,418,000. There would be a gradual increase that would level off at \$7,322,500 in the 1970-71 fiscal year. This is why I make the very positive statement that the bond issue can be financed without new taxes, but I want to reemphasize the point that the road fund cannot find \$39 million each year to get federal aid money without the bond issue or new taxes."

"The cost of highway construction is rising each year. The annual increase in the cost of highway construction is as much or more than it would take to pay the interest on the bond issue. Therefore, delay in utilizing federal funds for highway construction would not save any money even if that money could be piled up for North Carolina, \$300 million; even conservative Virginia is talking about a \$250 million bond issue. In Pennsylvania, common business sense for Kentucky to avail itself of all proposed a \$10 billion highway federal aid for highway construction as rapidly as funds are available. Other states are important to the economic producing the same to finance accelerated highway construction, which will give our state a fine Ohio in the last 2 years has highway system. It will serve voted \$750 million in bonds; as a solid foundation for economic West Virginia, \$200 million; mic growth and prosperity."

ASK ANN LANDERS

Dear Ann Landers: I'd like to thank "Old Timer" for one of the best laughs I've had in weeks. Anyone who would fill out a form for a driver's license and write beside the word "sex"—"occasionally" must have a terrific sense of humor.

When I was in the hospital having my last baby I had to fill out an insurance form. There was a question worded something like this: "Is this confinement the result of an accident?" I answered "Yes". This reply provided many people in the office with the best laugh of the day.

I come from a family of kidders and I realize how fortunate I was to grow up in a climate of good humor. Life can be pretty grim and a laugh can be a wonderful release for tension.

I've tried to raise my children to appreciate the value of humor. It hasn't been difficult because my husband is a very funny guy. If you ever run into him ask "How's your wife?" He'll reply "Well, she's better than nothing."

Although your column is filled with good advice I feel that the humor in it is as important as the guidance you give. Keep it up, Ann. — SMILE AWHILE

Dear Smile: Thanks for your letter. Now shall we bow our heads in commemoration of all those dear dead jokes that killed vaudeville?

Dear Ann Landers: How much do parents owe their married children? We raised three girls and two boys. It wasn't easy. My husband always made a modest salary and I worked part time in a canning factory.

Our oldest daughter lost her husband in a mining accident two years ago and came home with her two babies. I take care of her children. Lord knows the poor girl didn't bring this tragedy on herself, but I'm not as young as I used to be and it's hard on me.

Now the real problem: Our younger daughter caught her husband running around and she wants to divorce him and come home with her three children. We were shocked because our son-in-law is such a fine person. After talking with him we learned our daughter has been running around, too.

What should we do? — WORN OUT MOM AND DAD
Dear Mom and Dad: Parents don't owe children room and board and maid service when their marriages go sour.

Too often parents inadvertently help break up marriages by letting children know they can always come home if there is trouble. Tell your daughter to get the counsel of a clergyman and straighten her life out.

Dear Ann Landers: I'm a girl, 17, who babysits because it is the only way I can go to school and earn extra money.

It is now 1:30 a.m. and I have been baby sitting for 15 hours.

The woman who hired me called and pleaded with me to come right over. (This was yesterday morning at 10:30 a.m.) She said her regular sitter couldn't make it at the last minute and she would be very grateful if I would sit with her four children "for a few hours."

My mother is burned up and I don't blame her. I keep telephoning her every few hours so she won't worry.

When the woman left she didn't say anything about fixing supper for the children so I went ahead on my own. I wouldn't be surprised if I had to fix breakfast tomorrow morning, too.

What kind of a mother leaves her children for 15 hrs. and doesn't even let the sitter know where she can be reached in case of an emergency? Any advice? — B. B.

Dear B. B.: A sitter who has this sort of experience twice with the same woman deserves it. You should refuse to work for a mother who is so irresponsible. What would you do if she went away for a week?

Liquor can ruin your mind, your body and your life. To learn the booby traps of teen-age drinking, write for Ann Landers' booklet, "Teen-age Drinking," enclosing with your request 20c in coin and a long, self-addressed, stamped envelope.

Ann Landers will be glad to help you with your problems. Send them to her in care of this newspaper enclosing a stamp, self-addressed envelope.

Mrs. Delmar Williams

Walker-Williams Vows Exchanged

The marriage of Brenda Lee Walker, daughter of Mr. and Mrs. E. L. Richie, of Hazard, and Delmar Williams, son of Mr. and Mrs. Clarence Williams, was solemnized Saturday, September 11, at 3 p.m. at the Dwarf Baptist Church.

Reverend Archie Everage officiated at the ceremony.

MAID OF HONOR

Barbara Childers served as Maid of Honor while Elmer Williams, twin brother of the groom, served as Best Man. Ring Bearer was K. D. Williams and Kathy Cornett served as Flower Girl.

Pianist Ann Holliday presented the nuptial music.

BRIDE'S ATTIRE

The bride, given in marriage by her father, wore a white satin steel length dress with long sleeves and overdress of white brocade. She carried a bouquet of pale pink roses.

The Maid of Honor wore a white chiffon dress and carried a bouquet of pale pink roses. The Flower Girl was dressed in pale blue and carried a basket of blue and pale pink roses.

The bride's mother wore a green dress and a corsage of yellow carnations while the groom's mother wore a black dress with a corsage of white carnations.

RECEPTION

Immediately following the ceremony, a reception was held at the church.

The bride's table was decorated in white with garlands of green ivy and pink ribbons. The cake was decorated in pink and green with napkins, plates and cups designed with silver and blue wedding bells. Punch and cake were served to the guests.

BRIDE'S TABLE

Jane Holliday, Deanna Williams and Mrs. Herbert Sholar

M.Y.F. Members Enjoy Hay Ride

Mr. and Mrs. Nolan Hays and Mrs. Hays' mother, Mrs. Martha Hays, accompanied members of the M.Y.F. of the Bowman Memorial Church to Buckhorn Lake Saturday, September 16th for a hay ride and picnic. The outing was very much enjoyed by those going.

Making the trip were: Dee Alvia Davis III, Billy Hays, Debby Newland, Vivian Combs, Larry Branham, Randy Minor, Jimmy Fitzpatrick, Eugene Bellis, Paula Marcum, Mary Ellen Duff, Paula Pennington, Pam Duff, Carol Collett, Jennifer Fugate, Betty Altizer, Phil Hays, Vicky Blackburn, Ron Combs, Larry Combs, Jenny Leveridge, Lynda Combs, Doris Marcum, Alice Fain, Tommy Marcum, Roger York and Terry Parls.

DAR Annual Meeting Held At Jenny Wiley September 16

The Annual Meeting of the Sixth District Chapters of the Kentucky Society of the Daughters of the American Revolution was held at the May Lodge in the Jenny Wiley State Park on Thursday, September 16th. There were 93 members in attendance, eleven of whom were State Officers.

The District Chairman, Mrs. Wooton, of Hazard, Thomas Burchett from Ashland, presided.

Mrs. John B. Wells, Regent of the Harmon Station Chapter of Faintsville, and Mrs. John E. Campbell, Regent of the Hazard Chapter, were hostesses. There are eight chapters in the Sixth District.

The meeting opened with the Pledge to the Flag, American Creed and singing the "Star Spangled Banner".

Mrs. Burchett presented the State Regent, Mrs. T. Ewing Roberts from Louisville, who expressed her appreciation for the opportunity to attend the Sixth District Meeting, in this the Diamond Jubilee Year of the D.A.R., and to see so many of the chapters represented by such a large delegation.

Each state officer was introduced by Mrs. Burchett and each gave a three minute talk on DAR Projects as they were introduced. Some of the projects discussed were Patriotism, National Defense, Conservation of our Resources and Heritage Preservation of the Constitution and many other kindred subjects.

The meeting closed with the reading of the minutes by State Recording Secretary, Mrs. Frantley M. Smithers, of Frankfort, who is the former Miss Kitley

Refreshments were served to the following: Mrs. Lillie Fletcher, Mrs. E. Tipton Carroll, Mrs. Charles Whitehead, Mrs. Russell Compton, Mrs. Ila Catton, Mrs. Lillian Douglas, Mrs. Virginia Collins, Mrs. Nora Campbell, Mrs. Ralph Bartlett and the hostess, Mrs. Roy Reed.

The marriage of Miss Carolyn A. McKay, of Brick Town, New Jersey, and Dennis C. Back, of Hazard, took place on September 18 at Cedarbridge Chapel, Larsen Street, Brick Town, New Jersey. Arthur Watson, Pastor, officiated.

McKay-Back Vows Exchanged

The marriage of Miss Carolyn A. McKay, of Brick Town, New Jersey, and Dennis C. Back, of Hazard, took place on September 18 at Cedarbridge Chapel, Larsen Street, Brick Town, New Jersey. Arthur Watson, Pastor, officiated.

The Maid of Honor was Miss Virginia McKay, sister of the bride. The Flower Girl, Virginia Mesgleski, is niece of the bride. Mr. Mal Schaul, brother-in-law of the bride, was Best Man.

Following the ceremony, a reception was held at DeNardo's Town and Country Inn, Lakewood.

After honeymooning in Delaware, the couple are residing in Norfolk, Virginia, where Mr. Back is serving with the U. S. Navy.

Pine Mountain FHA Meets Here

FHA Has District Meeting
By Alexa Ann Cornett

The Pine Mountain District of the Future Homemakers of America held their fall district meeting on September 18 in Hazard High School at 9:30. The purpose of this meeting was for the district officers to acquaint the various chapter officers with the duties and responsibilities of her office.

The meeting was conducted by Bernice Saylor, district president from Hall High School. Mr. John C. Stringer, honorary member of the Hazard Chapter and principal of Hazard High School, gave the welcome.

The officers enjoyed group singing led by Clarabelle Hall from Breathitt High School and relaxers given by Pat Compton from Hall High School. After lunch the officers were led in recreation by Hall High School.

A game of Jeopardy was played with one member of each chapter playing. The winner was Sheila Wheeler from the Jackson Chapter. A summary of the meeting was given by Mrs. Edith Orick from Hindman.

The meeting was adjourned at 2:30.

The Pine Mountain District is made up of 13 chapters with 437 members. The chapters are: Breathitt, Cumberland, Fleming-Neon, Hall, Hazard, Hindman, Jackson, Jenkins, Leslie County, M. C. Napier, Oakdale and Whitesburg.

Miss Diane Davis

Engaged To Engagement To

W. R. Ogrosky

Mr. and Mrs. Hugh Leonard Davis of Richmond announce the engagement of their daughter, Diane, to Wendell Ray Ogrosky, son of Mr. and Mrs. Stanley Ogrosky of Hazard.

Miss Davis, a graduate of Model Laboratory School, is a senior at Eastern Kentucky State College and a member of Kappa Pi.

Mr. Ogrosky, a graduate of Eastern Kentucky State College is a member of Sigma Chi Delta. He is employed as a teacher in the Madison County school system.

The wedding will take place Nov. 26 at the First Methodist Church in Richmond.

Friends Invited To Wedding

The wedding of Patty Sue Hicks, daughter of Mr. and Mrs. Carl V. Hicks, of Falmouth, and Mr. John W. Farler, son of Mr. and Mrs. John Farler, of Hazard, will be held Saturday, October 2, at 7 p.m., at the Falmouth Methodist Church.

Formal invitations have not been sent, but all friends and relatives of the couple are invited to attend.

Personals

PHONE YOUR SOCIALS TO 6-4573 or 6-4114

Mr. and Mrs. Bernal Gibson have returned to their home in Hamilton, Ohio, after a visit with Mr. Gibson's mother, Mrs. Dee Gibson, and his brother, Mr. Walter Gibson, Mrs. Gibson and family.

PARKERS ATTEND FOOTBALL GAME

Mr. and Mrs. Gene Parker spent the weekend in Lexington where they attended the Ole Miss and U. K. Football Game which was played there Saturday night.

Mr. and Mrs. Lee Baker have returned to their home in Hamilton, Ohio, after a visit with friends and relatives in Hazard and Yerkes.

MRS. LEVERIDGE RETURNS FROM PADUCAH

Mrs. Clyde Leveridge returned Saturday from Paducah where she spent the past two months visiting her daughter and son-in-law, Mr. and Mrs. Dwain Lowry.

Mrs. Bishop Gabbard has returned from a weeks visit with relatives. While away, she visited her son, Mr. Lee A. Gabbard, Mrs. Gabbard and family in Frankfort and her sister, Mrs. Arnold Walker, Mr. Walker and other relatives in Louisville.

M. and Mrs. H. B. Noble had for their weekend guest, Mr. Lewis Blankenship from Fairborn, Ohio. Their daughter, Miss Patty Noble, who is attending the University of Kentucky in Lexington, was also home for the weekend.

PVT. GIBSON INJURED IN CAR WRECK

Pvt. Walter Gibson, son of Mr. and Mrs. Walter Gibson, Jordan Street, who is stationed with the U. S. Army in Nuenburg, Germany, was injured in a car wreck there recently. His condition is reported as improving at this time.

OUT-OF-TOWN PEOPLE AT- TEND FUNERAL

Among those from out of town here for the funeral of Mr. Ernest Minnich, which was held at the First Baptist Church Sunday afternoon, were Mr. and Mrs. Virgil Minnich, from Miami, Fla.; Mr. and Mrs. Harold Minnich, River Edge, New Jersey; Mr. John Minnich, Mr. and Mrs. Ernest Pitts and Mrs. E. Deaton and daughter, Carla Sue, from Middletown, Ohio; Mr. and Mrs. Earl Haddix, daughter Barbara and son Bob, from Delaware, Ohio; Mr. and Mrs. Clarence Minnich and daughter, Mahala, of Cincinnati, Ohio; Mr. and Mrs. Clarence E. Minnich, Norwood, Ohio; and Mr. and Mrs. Hagar Pollard, from Moore's Hill, Indiana.

Mr. and Mrs. Alfred Brooks and children, from Pikeville, were the weekend guests of Mr. and Mrs. George Brooks.

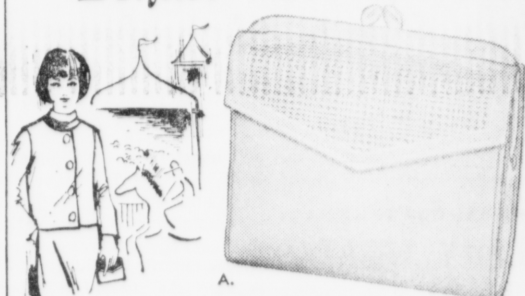

Mr. and Mrs. Carlos McIntosh, of North Vernon, Indiana, were the weekend guests of Mr. McIntosh's sister and mother, Mrs. John E. Campbell, and Mrs. John McIntosh, Cornell Avenue. Mrs. McIntosh returned home with them for a visit.

Elsie Sebastian and Irene Sebastian, of South Charleston, have been visiting their mother, Mrs. W. P. Taulbee. Mrs. Taulbee has also had for her guest, Ernie Russell Taulbee, of Dayton, Ohio.

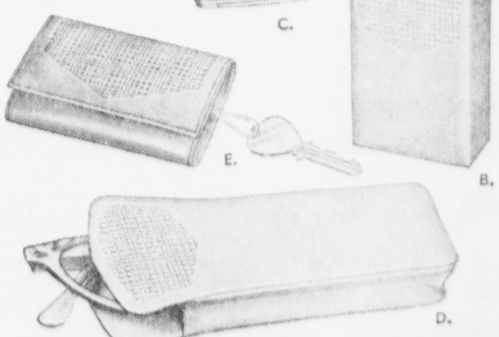

OGROSKYS ATTEND FOOT- BALL GAME

Mr. and Mrs. Stanley Ogrosky and son, Vaughn, were the weekend guests of Mr. and Mrs. Hugh L. Davis and daughters, Diane and Donna, of Richmond. They also visited their son, Wendell, who is a teacher in the Madison County School System. They attended the UK-Ole Miss Football Game in Lexington Saturday night.

Hazard Faces Lafayette

The "Game Of The Year" in Eastern Kentucky now is history and the Hazard Bulldogs will have to get ready for Lexington's "city slickers" this Friday night.

Lafayette, fresh from a 13-0 upset of Shelbyville Friday night, will invade Hazard Friday a 3-2 record and two straight shutouts. Lafayette Coach Eddie Sellier was very pleased with the defensive assignments of guard David Sullivan, tackle John Ward and end John Ishmael and Kenny Prather, who stopped the Shelbyville team on a first-and-ten situation on the Lafayette 10 yard line.

Backing up to the Hazard-Belfry tilt, I would like to clarify a few statements made in Prep Talk last week when so many Bulldog fans were piping hot over the article "Belfry Over Hazard By 20-0".

That article was not printed because I wanted to see Hazard lose, because if you have read previous columns you would have found out that I have favored the Bulldogs all season.

The statements in the article, with the exception of the prediction of the outcome, are completely true as any person attending the first three Hazard contests will testify.

And finally, the Bulldogs were definitely the underdogs and it would have taken 120 per cent effort by each and every Bulldog for 48 minutes plus luck for the locals to win as the final score proved itself.

The Bulldogs gave the 120 per cent but lady luck roamed to the visitors' bench as Belfry came from behind with two fourth quarter touchdowns for the 20-14 win.

Also, many fans said that Hazard lost the game because I predicted the 20-0 loss. If that be the case, then I am predicting Hazard to slaughter Lafayette 50-0 Friday night. If this system works, I'll probably have a high paying job with NBC or CBS Sports Networks and I'll give all the credit to Bulldog fans for pointing out my great asset of predicting games.

The Bulldogs running game was at its best Friday night with Jimmy Rose picking up 63 yards in three carries to lead the pack. David Baker followed with 76 yards in 15 carries; Houston Hogg, who looked extremely well in the first half, with 56 yards in 11 carries and Keith Reynolds with 42 net yards in six tries.

Rules Clinic Set For Tuesday

A high school basketball Rules Clinic will be held tomorrow night (Tuesday) at the Hazard High School auditorium with Whitesburg's Goebel Ritter and National Rules Committee member Charles Veltner directing the event. Ritter is rules director for the 14th Region.

The general public is invited to attend this meeting at 7 p.m. which all basketball coaches and officials are required to attend.

Broadcaster's Son Stars At Lafayette

The voice of the Cincinnati Reds and UK Wildcats, Claude Sullivan, will focus a lot of attention to the Hazard-Lafayette football game Friday at Hazard with the hopes of Lafayette winning for good reason.

Sullivan's son, David, is starting guard for the Generals and received a lot of praise from Lafayette Coach Sellier for his defensive work against Shelbyville last week.

200-Mile Sportsmen Race Scheduled For Bristol Speedway

A 200-mile late model sportsman race carrying a \$5,000 purse has been scheduled Oct. 9 at Bristol International Speedway.

The race, third richest on the late model sportsman circuit, will boast the most competitive field assembled this year for such an event.

A number of Grand National drivers and several from the ARCA circuit, in addition to the regular late model sportsman racers, are expected to compete in the event.

Leading the 40-car lineup that will start the 200-lap chase over the speedway banked half-mile track will be such pilots as Junior Johnson, Ned Jarrett, David Pearson, Rex White, Tiny Lund, Bobby Isaac, LeeRoy Yarborough and J. T. Putney.

Jarrett, White, Lund and Yarborough are definite entries for the 8:30 p.m. event while the others say they'll file their entries as soon as they're assured of rides.

First place in the finish order will be worth \$1,100 and 250 championship points. The cash pay-off will drop to \$50 with the point awards dropping ten per finishing position.

White, who dropped off the hot GN circuit several years ago to devote his attention to the late model sportsman circuit, will probably be the man to beat when time trials get underway at 6:00 p.m.

Winner of about 30 races this season, White has done most of his racing in the South Carolina area with a 1955 Chevrolet he built and maintains.

Other regular late model sportsman competitors include Lund, Yarborough and Isaac while Jarrett, Johnson, Pearson and Putney are infrequent sportsman racers.

The race will be open to 1955 to 1962 model cars with n hemispherical or high-rise engines permitted. All starters

Napier's Beatty Scores Year's First Touchdown But Whitesburg Wins

By Arlis Fields

With all the talk about bridges washing out and people not being able to swim it looked as if the bridge had washed out for the M. C. Napier Navajos, they couldn't swim and a touchdown was on the other side.

Freshmen quarterback Calvin Beatty solved the problem Thursday as he rambled 33 yards and the first six pointer of the year for Charlie Hall's boys only to see the Whitesburg Yellowjackets do a little swimming of their own as they defeated the Redskins 26-6 at Napier Field.

Napier won the toss to open the game but the offense couldn't get rolling so Kenneth Finison punted to the Jackets. Napier attempted to punt, but the kick was blocked and Whitesburg took over on the Napier 40 early in the contest.

High scoring halfback William Wright hit the middle of the Navajo defense for 1 yard on the first Jacket play.

Six plays later Wright scored from 13 yards away to run his season's touchdown total to 10 and give Whitesburg a 6-0 lead.

Napier got the ball again but for the second time the offense failed as Finison put the kicking foot into action.

The Jackets took over on the 48 yard stripe of Napier and used only four plays for Wright to score his second TD of the night for a 12-0 lead. Johnny Fairchild added the extra point to give the Jackets a 13-0 lead after one period.

The Stingers forced Napier to punt again early in the second period but the punt took a Napier bounce and landed on the Whitesburg 3-yard line.

Quarterback Bobby Blair attempted to get the Jackets out of the hole on fourth down as he faded in the end zone to pass. Napier's Jim McAlarnis picked off the aerial on the Whitesburg 43-yard line and brought it back to the 10 before stepping out of bounds.

The Navajos missed their first opportunity to score as the offense remained bogged down giving the pigskin to the Jackets.

Neither team managed any sizeable gains for the balance of the half as the Jackets left the field at half-time leading 13-0.

Whitesburg scored again in the third period as Blair hit end Danny Collins with a scoring aerial good for 27 yards, an extra point and a 20-0 lead.

The Eagles outgained Marshall 286 yards to 182 yards in the first half, but could never sustain a scoring drive because of their own mistakes and penalties.

Late in the third quarter, Marshall had a second and 16 on the Morehead 21. Pass interference was ruled on a badly over-thrown Marshall pass and it gave the Thundering Herd a first down on the 10. Jackson went around right end on the next play for his third touchdown and a 20-0 Marshall lead.

Morehead's offense finally began to click in the fourth quarter behind the running of Gray and the passing of Mike Gottfried. Gottfried fired a 16-yard pass to Tally Johnson which carried to the Marshall one, and then sneaked over his left guard for the first Eagle score.

Defensive ace Dennis Brown set up the second Eagle touchdown less than six minutes after their first score. Brown intercepted a stray Marshall pass on the Big Green 40 and returned it to the five yard line. The play was partially nullified however, as the Eagles were charged with clipping. Runs by Gray again moved the Eagles in scoring range and Gottfried fired a 16-yard pass to Scotty Reddick to make it a 20-12 half-game with three minutes left in the game.

The Eagles tried a near-perfect on-side kick and forced the Big Green to punt. With time running out, Gottfried slipped

Napier started its scoring drive at this point with Beatty engineering the offense.

Twice on fourth down and short yardage Beatty got a block on the option play that kept the drive going.

Late in the third period Napier had the ball on the Whitesburg 33 with a 4th and 9 situation.

Beatty called time out to get instructions from the bench as to what to do on the long yardage down.

The freshmen signal caller rolled out on the option but found all receivers covered, instead of giving up the ball Beatty tucked it away and scampered 33 yards for a touchdown as the Napier fans were going wild.

Whitesburg scored its final six pointer late in the contest as William Wright scored off the double reverse from 8 yards away to make the final score read 26-6.

Leading ground gainer for the winners was Wright with 100 yards rushing.

Beatty lead the Napier rushers with 91 yards. McAlarnis had 35 on 9 carries.

Blair attempted 19 passes and hit on eight for 109 yards and one interception.

Beatty tried four, no completions and two picked off by the defense.

Whitesburg's season record now stands at 3-3 with five contests left on the schedule.

Napier will begin preparing for the Friday night contest with mighty Belfry in the Pike County area.

On the wet field in his own end Morehead coach Guy Penny said, "we will have to have a minimum of mistakes to stay in the Marshall game." Just as Penny predicted, the young Eagles made costly mistakes and found themselves behind 20-0 before they could register a score.

In the first quarter, Morehead began a drive which eventually led to the first Marshall touchdown. On second down, sophomore halfback Tommy Gray fumbled a Mike Gottfried pitch-out and an alert Marshall defender pounced on the ball.

Seven plays and a personal foul later, Marshall Mickey Jackson scored his first of three touchdowns.

Penalties and mistakes continued to hurt the Eagles in the second quarter and Marshall's Mickey Jackson moved the Big Green in for another score with 5:32 seconds remaining in the first half.

The Eagles outgained Marshall 286 yards to 182 yards in the first half, but could never sustain a scoring drive because of their own mistakes and penalties.

Late in the third quarter, Marshall had a second and 16 on the Morehead 21. Pass interference was ruled on a badly over-thrown Marshall pass and it gave the Thundering Herd a first down on the 10. Jackson went around right end on the next play for his third touchdown and a 20-0 Marshall lead.

Morehead's offense finally began to click in the fourth quarter behind the running of Gray and the passing of Mike Gottfried. Gottfried fired a 16-yard pass to Tally Johnson which carried to the Marshall one, and then sneaked over his left guard for the first Eagle score.

Defensive ace Dennis Brown set up the second Eagle touchdown less than six minutes after their first score. Brown intercepted a stray Marshall pass on the Big Green 40 and returned it to the five yard line. The play was partially nullified however, as the Eagles were charged with clipping. Runs by Gray again moved the Eagles in scoring range and Gottfried fired a 16-yard pass to Scotty Reddick to make it a 20-12 half-game with three minutes left in the game.

The Eagles tried a near-perfect on-side kick and forced the Big Green to punt. With time running out, Gottfried slipped

Cumberland Opens Golf Season

According to Coach Norman Cox the Cumberland College Golf Team will be fielding their best team in the school's history when they start their "swinging" season September 27 at Lexington, Kentucky against Georgetown, Berea, and Pikeville in a four-way match.

According to Coach Norman Cox the Cumberland College Golf Team will be fielding their best team in the school's history when they start their "swinging" season September 27 at Lexington, Kentucky against Georgetown, Berea, and Pikeville in a four-way match.

The Kentucky Intercollegiate Athletic Conference has shifted their golf season to the fall sports calendar on a trial basis due to a conflict with other spring sports. All matches are four-way so that golf will not interfere with classes as much as before.

The team will be built around returning lettermen Jim Rollins, a Sophomore from Wheelwright, Kentucky and Don Collins, a Senior from Hazard, Kentucky. Others currently riding high on Coach Cox's list of possible starters are Rick Finger, a Freshman from Cedar Town, Georgia, Gary Wise, a Freshman from Felicita, Ohio, and Paul Harper, a Freshman from Cincinnati, Ohio.

Coach Cox stated "Rollins and Collins played the number one and two positions last spring when the Indians compiled a 9-3-1 record. Rollins was the team's big man as he finished the season undefeated in intercollegiate competition. With such a young squad and the opening of a local golf course where we can practice we hope to build a power house in the next couple of years."

The complete Cumberland Golf Schedule is as follows: September 27 — Pikeville, Berea, Georgetown, Cumberland, Georgetown, Pikeville, October 21 — Cumberland, October 5 — Campbellsville, Berea, Villa Madona, Cumberland

October 14 — Pikeville, Villa Madona, Union, Cumberland.

October 5 — Campbellsville, Berea, Villa Madona, Cumberland

October 14 — Pikeville, Villa Madona, Union, Cumberland.

October 5 — Campbellsville, Berea, Villa Madona, Cumberland

October 14 — Pikeville, Villa Madona, Union, Cumberland.

October 5 — Campbellsville, Berea, Villa Madona, Cumberland

October 14 — Pikeville, Villa Madona, Union, Cumberland.

October 5 — Campbellsville, Berea, Villa Madona, Cumberland

Norman Cox

SIDE LINE

SIDE LITES

By Arlis Fields

The ever present problem of off the field fights erupted recently at a local high school football game.

We couldn't help but notice that the participants in the little ventures were boys of the larger size range.

Seeing this makes us wonder why those boys are not in pads and helmets and fighting on the football field.

While the football team is struggling through a rough season with less than 25 boys on the squad these big husky lads are standing around just looking for an excuse to sink a fist into somebody's jaw.

It has been said that the best way to whip a boy of the type described above is to waive a pair of football shoulder pads or a helmet in front of him and ask him to climb into the gear and try his luck at football.

If those boys that go to a football game just to cause a little disturbance off the field would get into some pads and a uniform and onto the field then there's no reason why county high schools could not represent their area in playoffs very frequently.

At the Napier-Whitesburg game the other night the Navajos were as thin numbers as they could be and still carry on competition.

All told 13 boys put on the red and white for Charles Hall and the Navajos.

Hall says of the thinness, "I've gotten rid of the boys that didn't want to play football and I think the 13 left are the ones that want to play."

"I had wanted have 11 men that want to play than 50 who don't want to hit anybody," Hall continued.

Hall is no stranger to having a small group to work with, he finished the past two seasons at Woodford County with 16 men on the squad.

Belfry Stops Bulldogs 20-14 On Last Minute Touchdown

By Oscar Combs

Hazard's Bulldogs fought a gallant fight, but two fourth quarter Belfry touchdowns handed the Bulldogs a 20-14 defeat which practically eliminated the Hazard eleven from the Class AA Play-Offs.

Hazard's record fell to 2-2 while Belfry notched their fifth straight win of the season without a defeat.

Belfry took advantage of an early Hazard mistake to take a

7-0 lead before Hazard came roaring back late in the first period to tie 7-7.

Hazard pulled ahead early in the final quarter on a fine run by Keith Reynolds but Belfry's big Frank Guyton took over from there and marched the Pirates to two last stanza scores and the 20-14 win.

On the first play from scrimmage Belfry's Kenneth Small intercepted a Jim Rose pass and returned the pigskin to the

Hazard 34 where the Pirates initiated their first scoring drive. Bob Burgett fired a strike to Walley Bevins on a fourth-and-eleven situation from the Hazard 35 for the first six points with 9:05 remaining in the first period. Bevins kicked the conversion and Belfry commanded a 7-0 lead.

Hazard came right back and matched the Pirates' score on a 70 yard touchdown drive which covered ten plays and five first downs.

In the initial drive, back Houston Hogg ripped off 40 yards in five plays and David Baker chalked up 29 yards in four plays including the 9-yard sprint for the six-pointer. Rowe kicked the extra point and the score was 7-7 with 3:09 left in the first period.

Defense played the key role in the second quarter as both teams were held scoreless with the Hazard line recovering a fumble deep in their own territory late in the first half.

Belfry began a march on the Hazard 48 and moved down to the Hazard 10 before the rugged Bulldog line knocked the ball loose which Hazard recovered.

Early in the final period Haz-

ard took a Belfry punt on their own 49 and in two plays scored the go-ahead touchdown.

Baker found a hole and scampered 21 yards to the Belfry 30 and Reynolds fought his way through the Pirate line and streaked his way for 30 yards and a 13-7 Hazard lead with 11:10 on the clock. Rowe added the point and Hazard's margin increased to 14-7.

Belfry was not to be denied though, as the Pirates marched

70 yards in six plays with the aid of a 15-yard penalty against Hazard.

Belfry's do-it-all, Frank Guyton, roamed the last 30 yards and his own conversion tied the score for the second time 14-14 with 8:06 left.

After a Hazard first down on the Hazard 46 as a result of a 24-yard pass play from Jim Rose to Will Frazier, the Bulldogs fumbled on the Belfry 46 with 3:59 to go and left the Pirates with a golden opportunity.

Belfry marched 54 yards in nine plays for the winning touchdown as Pirate quarterback Bob Burgett hit end Walley Bevins from nine yards out. The conversion was blocked by the Hazard line, but the damage has been with only 0:17 left in the contest.

Hazard made a futile effort in the last 17 seconds on two passes and a 14-yard run by Jimmy Rose, but the two pass attempts were incomplete as Belfry won out 20-14.

L'wood Retarded Children Visit Hazard City Officials September 10

The Leatherwood Association for Retarded Children, the Board of Directors, and the children enrolled in Day Care Center are most grateful to Mayor William C. Dawahere, Police Chief, Bud Luttrell, Fire Chief Lawrence Sizemore, Radio Station W.K.L.C., Hazard Jaycees and Don's for a memorable day in the town, September 10.

Hazard gave the children and the staff of workers, proverbial Red Carpet recognition starting with Chief Luttrell officially escorting the bus load of children from the City Water Company to the Radio Station W.K.L.C. where Mr. Sparkman and Mr. Napier let the children see themselves on television - the entire staff of W.K.L.C. were most kind.

gram for the Day Care Center Children. It means social patterns are developing which may enable these individuals to fit into the social structure of their own community - maybe more important, community attitudes are changing toward the mentally handicapped child. We who work with the program are very aware of "Community Retardation". No longer can any community ignore its responsibility to these individuals who are the "Least of God's Children."

WOOTON NEWS

Eula Ann Campbell Employed In Leslie

Miss Eula Ann Campbell, daughter of Mr. and Mrs. Douglas Campbell, McIntosh is employed temporary at the Leslie County Conservation and 4-H Club office in Hyden. She makes the courthouse take on a better look with her fine personality.

Mr. and Mrs. Reuben Melton will soon move into their new home it has already run in building cost over \$7,000.00. It will be the only all-electric home at Wooton.

Rev. Ruth Sizemore has had to cancel some of her meetings because of health.

Mr. Barnell Caudill is still ill at his home on Bailey's Branch.

Lydia Morris Passes Away Friday

Lydia Morris, 74, of Grape-Cemetery with the Engle Funeral Home in charge of arrangements.

Survivors are her husband Jesse; three sons, J. D. of Grapevine, Sam and Donnie of Combs; and two daughters, Leona Click of Lamont and Hazel Henson of Grapevine.

Three sisters, one brother, 23 grandchildren and 13 great-grandchildren also survive.

Funeral services were held Sunday, September 26, at 10 a. m., at the Grapevine Baptist Church with Reverends Denver Eversole and Wireman Neace officiating.

Burial was in the Whitaker

CIRCUS SEMI-TRUCK WRECKS ON PINE MT.

A huge semi-truck laden with circus equipment ploughed into a guard railing near the Pine Mountain Hotel atop the mountain at 2 P.M. yesterday. The driver, Mr. Sweney from Circleville, Ohio said he didn't allow roomage for the truck on the bad curve thus causing the bad accident.

The Goodling Bros. Amusement Inc., of Columbus, Ohio operates the circus.

Area Deaths

John C. Duff, 83, Dies At U.K. Hosp.

John C. Duff, 83, of Hazard died Thursday, September 23, at the University of Kentucky Medical Center. He was a minister in the Old Regular Baptist Church for 40 years.

He is survived by his wife, Alwilda of Hazard; seven sons, Ewell, Elbert, and Andrew of Hazard, Richard of Wooton, Hiram, Green, and Charlie of Middletown, Ohio; and three daughters, Mrs. Lucy White of Yorkes, Mrs. Tichie Combs of Austin, Indiana, and Manda of Evans.

Survivors are four sons, W. M. of Mallie, Hallis, Ray and Isaac of Michigan; and three daughters, Mrs. Loretta Moore of Litt Carr, Mrs. Virgie Matheny of Michigan and Mrs. Mertie Pegonon of Lexington.

Funeral services were held Tuesday, September 21, at noon at the Providence Regular Baptist Church at Smithsboro with Reverends W.T. Francis, Archie Everage, and Bob Sexton officiating.

Burial was in the Stamper Cemetery at Litt Carr with the Brashear Funeral Home in charge of arrangements.

Wilson Fields, 78, of Viper died Wednesday, September 22, at his home. He was a member of the Old Regular Baptist Church.

Survivors are his wife Fannie; three sons, Clarence of Red Fox, Green of Carcrossone and John H. of Hamilton, Ohio; and six daughters, Mrs. Nerve Caudill of Viper, Mrs. Mary Caudill of Vico, Mrs. Berdie Hallons and Mrs. Gracie Hallons of Hamilton, Ohio, Mrs. Rhoda Christer of Hamilton, Ohio, and Mrs. Celia Caudill of Batesville, Indiana.

Additional survivors include 48 grandchildren and 28 great-grandchildren.

Funeral services were held Friday, September 24, at 10:00 a. m., at the James Memorial Old Regular Baptist Church at Carcrossone with Reverends Hillis Reedy, Alvie Caudill, Monroe Caudill and H. B. Whitaker, officiating.

Burial was in the H. D. Caudill Cemetery at Carcrossone with the Brashear Funeral Home in charge of arrangements.

Operation Head Start Draws Comments From Schoolteacher

Ten weeks of Operation Head Start which meant undreamed of experience for numerous preschool children, and a long summer and very short vacations for many teachers brings the first grade teacher to the place for a long look and evaluation of one of the most recent projects to improve the child's position in elementary school.

From the reports from first med bangs punctuating a smiling face, No. Sam did not forget the suckers, and for those who wore their Sunday best most first grade students were prepared for school socially, emotionally and mentally. This sometimes requires weeks and sometimes months to accomplish in regular school.

Perhaps one of the most valuable assets of Operation Head Start, was the team work engendered by parent, teacher, and the various organizations and agencies participating in the program. In many Head Start centers volunteers were so numerous that it was necessary to schedule the days on which they would be needed. Other individuals contributed their time and talents.

One of the most interesting contributions was the service of Sam Cornett, a barber, who saw to it that every boy had a neat professional hair cut (for some their first) and the little girls were not left out either, they returned home with newly trimmed

While this visit to Hazard was a lark for the kiddies - it means much more to the people who plan and direct the program.

Should these services be rendered only in special projects? Those who have observed Head Start from its beginning and foresee the effect that the summer program will have upon the student as he progresses from grade to grade say that one of the greatest needs is the enlistment of all parents and friends of the youth of the community to render the services for which they have special abilities to the needs of the children and the school.

Yes, Operation Head Start ended August 9th for 546 happy, lively, future citizens of Perry County, but in reality Head Start will have no ending, but will be for many a ray of hope, a moving force that will move them from scholastic defeat and social rejection to an equal plane with all students.

Who's drinking all that Diet-Rite Cola?

Everybody

- Because it's by far the best-tasting cola of all
- Better-tasting than old-time colas ...or their low-calorie offshoots
- No sugar at all. Less than 1 calorie per bottle
- America's favorite low-calorie cola—just right for your family, too
